A-	3.70
B+	3.30
B (Good)	3.00
B-	2.70
C+	2.30
C (Satisfactory)	2.00
C-	1.70

IUY = Incomplete work at the undergraduate level in a credit/no credit course; not included in the calculation of grade point averages.

L = Audit; not included in enrollment status hours; not included in the calculation of grade point averages.

N = No grade submitted by the instructor; not included in the calculation of grade point averages.

P = Passing; carries no credit points; not included in the calculation of grade point averages (used for student teaching, thesis hours, dissertation hours).

S = Satisfactory progress; carries no credit points; not included in the calculation of grade point averages (used for courses in research, independent work, special problems, thesis hours, dissertation hours, and undergraduate honors courses); changes to a final grade by the instructor when the work is completed.

U = Unsatisfactory progress; carries no credit points; not included in the calculation of grade point averages (used for special projects as described above under grade of S); changes to a final grade by the instructor when the work is completed.

W = Withdrawal; The last date to drop a course without a "W" is posted on the Academic Calendar which is available on the website of the Office of the University Registrar. Credit is not awarded for a withdrawal and the course is not included in the calculation of grade point averages.

Y = No credit in a course taken credit/no-credit in which a grade of C- or less is earned in an undergraduate course, or in which a grade of B- or less is earned in a graduate course; not included in the calculation of grade point averages.

Scholastic Regulations for Graduate Students

Academic Actions

Academic actions are defined as academic probation; removal of academic probation; and academic dismissal. Academic actions occur on the basis of semester or summer term and/or cumulative grade point averages as computed by the Office of the University Registrar at the end of a semester or summer term. No academic actions are associated with winter term. Academic actions will be taken on any graduate student regardless of the number of hours taken in any semester or term with exclusions as noted below. Good academic standing is defined as maintaining a minimum 3.00 cumulative grade point average.

Student Classification for Academic Action Purposes

Only graduate-level Miami grade point average hours recorded on the academic record are considered in the classification of a graduate student for academic action.

Academic Probation

A graduate student with 9 or more cumulative Miami graduate-level grade point average hours is placed on academic probation at the end of any semester or summer term in which his/her cumulative grade point average is less than 3.00.

Removal of Academic Probation

If a graduate student has a cumulative grade point average of 3.00 or better at the end of a semester or summer term, the student shall be removed from academic probation.

Continuation on Academic Probation

A graduate student who is on academic probation and who has a semester or summer term grade point average of 3.00 or better, but has a cumulative grade point average of less than 3.00, is continued on academic probation.
